Charity no.117499

CONFIDENTIALITY POLICY

STATEMENT OF INTENT

The purpose of this policy is to promote trust in the East Yorkshire Parent Carer Forum (EYPCF) and the service we offer to parent carers.

The guiding principle is that information about a parent carer belongs to that carer and we need to have their permission to pass any of it on. We believe parent carers have a right to a service which respects their need for privacy and for control over information about themselves and their caring situation.

SCOPE

This policy applies to all staff, Trustees, steering group members and volunteers of the EYPCF. The data covered by the confidentiality policy includes:

- Information about the organisation, for example, its plans or finances
- Information about other organisations
- Information about individuals, for example, members, volunteers and staff whether recorded electronically or in paper form and however it may be gathered.

All staff, Trustees, steering group members, volunteers and others who do work or volunteer for the EYPCF must respect the need for confidentiality of information held about anyone who comes into contact with the charity, and about any charity business. This is expected to continue even when contact has ceased with this person, and when the Trustee, steering group member, volunteer or staff member no longer works or volunteers for the EYPCF.

This policy should be read in conjunction with the EYPCF Data Protection Policy.

We will consider any breach of this policy as serious. The circumstances of the breach will be reviewed by the trustees and any exceptional circumstances taken into account. Depending on the level of the breach the trustees retain the right to request the volunteer to step down from working for the charity.
