

## Voices Workshop Event - Feedback

### Key Points

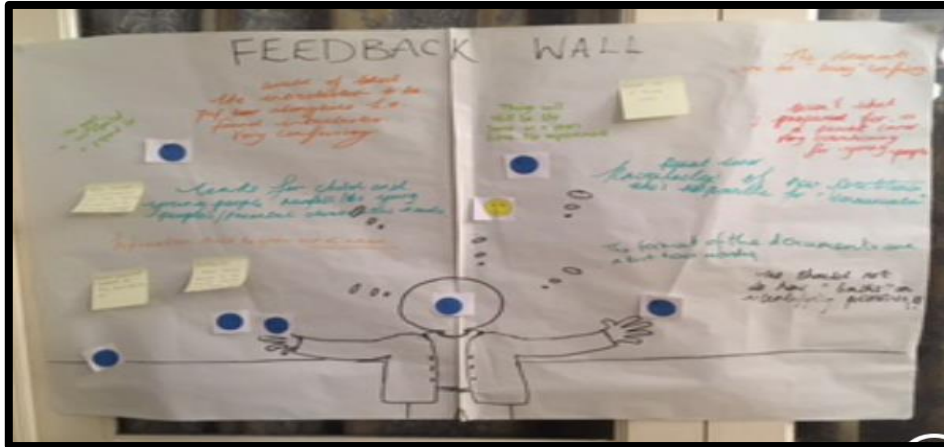

At the VOICES Workshop Event everyone had the opportunity to provide feedback. This could be done via a feedback form or using the feedback wall.

\* Everyone was asked to comment on what went well and what could be done better:

\*Comments above are from the feedback form and feedback wall on the day

The Feedback Wall was available throughout the event. Everyone had the opportunity to write, draw, use post it notes or add faces to provide feedback.
