

### **Key Points agreed at the end of the Co- Production meeting 21st April 2020**

- The Co-production Subgroup meeting was successfully held over Microsoft Teams for the first time with attendance from the PCF, CCG, Adults and Children's services
- Full appreciation and thanks have been given to all that have completed the FISH survey around communication. The survey is still available for those wishing to be part of it.
- The Good Practice Template has been Co-produced to encourage and promote co-production and is a template that documents all of the good work done. The template is now live, will be circulated across the ERYC and will be uploaded onto the Local Offer.
