

### **PCF Feedback meeting last week update.**

The feedback meeting between the LA and the PCF on the 29th May concentrated on the PCF survey result and parent/ Carer feedback on concerns about the return to an educational setting for CYP with SEND.

Action points from the meeting.

1. The survey and feedback to be shared by the LA with among others the 0-25 team, the SEN dept, school improvement, the EP service, SENDiass, Health and Social Care.
2. The parent/ Carer feedback should be considered alongside the schools( Senco's ) arrangements for the return of CYP.
3. Transport questions and concerns are to be discussed with the Transport service.
4. The PCF and the LA are beginning a discussion about any specific measures that need to be put in place for CYP in transition between key educational phases.

Parents and carers are to be asked about practical and other steps to be put in place to enable any transition to take place in a planned way.
