

0-25 SEND Board Meeting

- Note the progress against timescales and attainment for c&yp with EHCPs. The focus now needs to be on how we improve progress and attainment for pupils at SEN Support.
- Feedback from parents/carers is important for us as we plan for pupils transitioning back to school in September. EYPCF to meet with SEN, ILS and EPs to discuss the work being undertaken.
- A working group will be set up to look at how parents/carers can feed into sub group agendas to enable and influence more focussed discussions during meetings.
